EMCDDA budget for 2017 — Amending budget no. 2

Summary

In accordance with the relevant provisions of the financial regulation applicable to the EMCDDA, the proposed 2017 amending budget no. 2 aims at meeting the following needs:

- Adjust the Norway's contribution to the EMCDDA 2017 budget due to the fact that some of the 2017 budget appropriations initially entered for the co-financing to the Reitox NFPs are not going to be used for this purpose, as some NFPs requested less than the maximum Reitox co-financing available for 2017.
- Enter additional revenue, namely from bank interests generated by the funds paid to the EMCDDA and from internal assigned revenue.
- Re-allocate this additional revenue, along with some appropriations that may be released from title 1 (due to the change of some conditions assumed in the EMCDDA 2017 budget adopted in December 2016) in order to cope with supplementary needs for expenditure (within budget title 2) concerning the security and safety of the EMCDDA assets and some ICT operations and equipment aimed at supporting operational activities.

Decision

The Management Board adopts the proposed EMCDDA 2017 amending budget no. 2.

EMCDDA budget for 2017 — Amending budget no. 2 (EMCDDA/AB/02/2017)

In accordance with the relevant provisions of the financial regulation applicable to the EMCDDA, the EMCDDA 2017 amending budget no. 2 aims at coping with the following needs:

1. Concerning budget revenue: enter additional revenue

1.1. Adjust the Norway's contribution to the EMCDDA 2017 budget

Some Reitox national focal points (NFPs) requested less than the maximum Reitox co-financing available for 2017. As a result an amount of EUR 94 195.88 was not committed from the appropriations initially entered into the EMCDDA 2017 budget for the co-financing of the Reitox NFPs. Pursuant to the Financial Regulation applicable to the EMCDDA, these uncommitted appropriations are going to be redeployed by the EMCDDA Director, in his capacity of authorising officer, by giving priority to operational activities within the scope of the EMCDDA work programme, in particular to meet some additional needs (within budget title 3) aimed at developing the monitoring and analysis of cannabis (legislation/regulation and medicinal cannabis) and drug-related crime (homicides).

This situation requires the adjustment of Norway's contribution to the EMCDDA 2017 budget, in accordance with the formula to be used to calculate this contribution. This adjustment will entail an increase of EUR 2 923.32 in this contribution.

1.2. Enter revenue from bank interests

According to Article 58 of the Financial Regulation applicable to the EMCDDA, and as confirmed by the EC's relevant services, the bank interest generated during the last quarter of 2016 and the first three quarters of 2017 by the funds paid to the EMCDDA, and placed in the bank accounts of the latter, have to be entered into the EMCDDA 2017 budget.

The EMCDDA amending budget no. 1, as adopted on 29/06/2017 by the EMCDDA Management Board, entered the bank interest generated during the last quarter of 2016 and the first quarter of 2017 (amounting to EUR 1 467.82). The EMCDDA 2017 amending budget no. 2 enters the bank interest incurred for the second and third quarters of 2017, which amounts to EUR 289.61.

1.3. Enter internal assigned revenue

In accordance with the relevant provisions of the Financial Regulation applicable to the EMCDDA, it is necessary to enter into the 2017 budget EUR 16 544.41 as internal assigned revenue. This revenue results from various operations, such as in particular the recovery of amounts relating to building and staff-related expenditure for trainees and training activities. In accordance with the relevant financial rules, this revenue has to be entered into the budget line(s) relating to the activities and operations that have generated such revenue.

2. Concerning budget expenditure: re-allocation of budget appropriations

Some appropriations may be released from budget title 1 due to the change of some conditions assumed in the EMCDDA 2017 budget adopted in December 2016 by the Management Board. In particular, this concerns the change of the expected date of occupation of some vacant posts and the selection of an internal candidate as the outcome of an open competition for one key position. Furthermore, the actual amount of expenditure for the 2017 reclassification of staff and for the payment of the entitlements of the staff entering or leaving the service at the EMCDDA in 2017 is going to be lower than the amount initially estimated.

These appropriations amount to EUR 305 952. This amount takes into account the expected impact on the EMCDDA 2017 budget of the 2017 annual adjustment of the EU staff remuneration, pursuant to the information made available by the EU Pay Master Office at the beginning of November 2017 (increase by 3.77 % for the remuneration of EU staff in Portugal, as from 1 July 2017).

These appropriations, along with the above referred additional revenue, may be reallocated to cope with supplementary needs for expenditure (within budget title 2) concerning in particular the security and safety of the EMCDDA assets and some ICT operations and equipment aimed at supporting operational activities, such as:

- Renewal of ICT backup system
- Upgrading and development of Firewall and other ICT security systems (Proxy, Intrusion detection, Malware detection and protection).
- Increase of the storage capacity/disk space in the external facilities aimed at ensuring effective ICT business continuity/disaster recovery.
- Replacement of WIFI infrastructure in EMCDDA premises.
- Installation of a protective structure in the Relogio building to separate the canteen from the office areas and increase the safety and working conditions for the people working in the building.
- ICT applications for HR management, namely for time management.

With regard to the above, the EMCDDA budget for 2017, as adopted in December 2016 by the EMCDDA Management Board (EMCDDA/26/16) and amended by the EMCDDA 2017 amending budget no. 1 (EMCDDA/07/17 adopted on 29/06/2017 by the EMCDDA Management Board), is hereby amended as follows:

- The tables of Annex 1A and Annex 1B (Summary of Revenue and Expenditure) and Annex 2 (Detailed expenditure) of the EMCDDA 2017 budget shall be replaced by the corresponding tables below.
- The relevant figures mentioned in the first three pages of the EMCDDA 2017 budget shall be replaced, as required, by the corresponding figures resulting from the replacement of the tables referred to here above.
